**MARINE AIR SUPPLY** is a specialized, stocking, and value-added distributor of electro-mechanical products. Our focus since 1965 has been on mil-spec and commercial grade switches, relays, circuit breakers, lighted panel devices, and cockpit control devices. We service a broad spectrum of customers including the Military Defense, General and Commercial Aviation, Medical, Transportation, Industrial, as well as Commercial Electronic Markets.

Headquartered in Frederick, Maryland, just outside of Washington, D.C., Marine Air Supply stocks an extensive ready inventory of military, industrial, and commercial products. Our sales and marketing team offer our customers many years of faithful service, strong product knowledge, and professional support. We provide a level of support second to none in our industry.

As a value-added distributor and assembly center, Marine Air provides a quick turn around on lighted switch and indicator assemblies manufactured by Eaton Aerospace/Master Specialties in Costa Mesa, California. We offer onsite computerized engraving for all switch and indicator applications along with a large inventory of components to complete your job from start to finish and on time.
